

Yes! You can earn ACBL masterpoints at our Virtual Clubs.

Be sure you have provided BBO with your ACBL number.

At the current time (early May) clubs are awarding 150% of the normal amount. For example an 8-table game historically gives first place .80 points. This is increased to 1.20!

In addition, for the week of May 26 – 30, the rate will be double the normal amount meaning the 8-table winner will receive 1.60 SILVER points. C'mon down!!
